Subject: Question Regarding Model years for 19V-369

Andy,

Can you please review and confirm the model years for all of the models listed in 19V-369. The reports states 2004-2018 when doing research it doesn't seem like all these vehicles were produced to 2018. Can you confirm this and if needed provide a breakdown chart of the vehicles and model years for each in an excel spreadsheet.

Thank you
