### General Notes

- Read through the fitting instructions before installation of the accessory. Install the accessory following the fitting instructions. Failure to do so may cause damage to the vehicle or the accessory.
- Ensure all recyclable discarded vehicle accessory components and packaging are recycled following local recycling regulations.
- It is always recommended that this accessory is fitted by a qualified Subaru Technician.
- Safely store and protect any removed vehicle components.
- Ensure all bare metal surfaces are protected using automotive bare metal primer and touch-up paint, or suitable automotive rust inhibitor.
- Remove all metal swarf and dust from all vehicle surfaces if surface is used for accessory installation.

### Safety Notes

- Check that all work practices comply with safety standards.
- Please wear appropriate clothing and use safety equipment.

FR

### Remarques générales

- Veuillez lire toutes les directives d'installation avant de poser l'accessoire. Posez l'accessoire conformément aux instructions d'installation. Faute de quoi, des dommages pourraient survenir au véhicule ou à l'accessoire.
- Assurez-vous que les composants recyclables et l'emballage de l'accessoire sont recyclés conformément aux règles en vigueur.
- Il est fortement recommandé de confier l'installation de l'accessoire à un technicien qualifié.
- Les composants déposés doivent être entreposés de façon sécuritaire.
- Les surfaces métalliques nues doivent être protégées. Pour ce faire, appliquez un apprêt à peinture et de la peinture à retouche ou un inhibiteur pour la rouille.
- Enlevez les éclats métalliques et la saleté qui pourraient couvrir la surface de pose.

### Remarques de sécurité

- Vérifiez que les méthodes de travail sont conformes aux normes de sécurité.
- Portez des vêtements appropriés et utilisez de l'équipement de sécurité.

**EN SYSTEM POWER-UP**

1. Verify Infotainment radio operation and ensure all speakers are operating properly.
2. Confirm CD player operation.
3. Verify Electronic Parking Brake switch, Hazard Warning Switch, Auto Up/Down Window feature, 2nd Row USB (if equipped), Rear climate control panel (if equipped), and Key Fob are functioning.
4. If required, refer to the Owner's manual for the Power Window Reset Procedure to restore the power window functions.

**FR MISE SOUS TENSION DU SYSTÈME**

1. Vérifiez le fonctionnement de la radio et assurez-vous que tous les haut-parleurs fonctionnent correctement.
2. Vérifiez que le lecteur de CD fonctionne correctement.
3. Vérifiez que l'interrupteur du frein de stationnement électronique, l'interrupteur des feux de détresse, la fonction d'ouverture/fermeture automatique des glaces, l'USB de 2e rangée (le cas échéant), le panneau de commande de climatisation arrière (le cas échéant) et le porte-clés fonctionnent tous.
4. Référez-vous au manuel du propriétaire du véhicule pour la procédure de réinitialisation des vitres électriques afin de rétablir les fonctions des vitres électriques.
