

SSM 54051 2024-2025 Nautilus, 2025 Explorer/Aviator/Expedition/Navigator - Ford/Lincoln Digital Experience - Hard Reset Procedure

Some 2024-2025 Nautilus, 2025 Explorer/Aviator/Expedition/Navigator vehicles may occasionally require a hard reset of the Ford/Lincoln Digital Experience system. To perform a hard reset, press and release the volume button on the center console 5 times within 7 seconds. Some vehicles with older level software may require the volume button to be pressed and held for at least 5 seconds. The Owner's Manual is in process of being updated with this information.
