Subject: Frame Rail Paint Standard Warranty Policy Extension

Dear Customer,

This notice is to inform you that your vehicle may be a part of a frame rail paint adhesion issue. During manufacturing the paint may not have adhered properly to the frame rail, resulting in a frame rail paint peel issue.

Should the frame rail paint peel from poor adhesion, your vehicle now has a standard warranty extension. The parts and labor for the repair will be provided at no cost. The standard warranty extension will be in place for **12 months** from the vehicle's in-service date.

Thank you,
Warranty Department
