Purpose for Parts and Accessories Bulletin

This bulletin informs dealerships that there will be a scheduled security patch update to the Screamin' Eagle Pro Street Tuner app on May 19, 2026 at 6am Eastern Standard Time (EST). To prevent Interrupted usage, make sure to update your app to the latest version at your next use.

The new software versions are:

- Windows PC version (26.1.8002)
- IOS version (26.001.7003)
- Android version (26.001.6002)

NOTE

*If the update is deferred and use with current app version is continued, there may be an **invalid response** while attempting to generate new calibration tune files. See Figure 1.*

If below prompt is observed, app will have to be updated to latest version and the affected tuned calibration re-generated.
