A Settlement has been reached in a class action lawsuit regarding the hoods in certain 2022 Mitsubishi Outlander vehicles. The Court has preliminarily approved the Settlement and will determine whether to grant final approval.

Am I a Class Member? You are a Settlement Class Member if you are a present or former U.S. owner or lessee of a certain 2022 model year Mitsubishi Outlander vehicle. You have been identified as an owner or lessee of a covered vehicle. You can confirm that your vehicle is included in the Settlement by searching the VIN Lookup Portal on the Settlement website: www.hoodsettlement.com.

What benefits can I get from the Settlement? If the Court grants final approval, the Settlement provides the following benefits: (1) a hood replacement for all Settlement Class Vehicles under a new Warranty Extension for a period of eighteen (18) months commencing from May 1, 2026, for owners that express concerns with hood fluttering; (2) for Settlement Class Vehicles that received a hood repair prior to May 1, 2026, a Warranty Extension for the repair or replacement of the vehicle's hood, for a period of eighteen (18) months from the date of the repair, or for vehicles that received a repair more than eighteen (18) months prior to May 1, 2026, for six (6) months from May 1, 2026; (3) a complimentary loaner or rental vehicle during the time of repair pursuant to the Warranty Extension(s); and (4) reimbursement of certain past paid out-of-pocket repair and rental car expenses. A claim for reimbursement must be submitted to Verita Global **no later than July 30, 2026** either by mail (postmarked) at the address on the reverse side or online through the Settlement website. Further details regarding the class action, the Settlement terms and benefits, what is covered, and the requirements, deadlines, and procedures for submitting a claim for reimbursement are described in the longer form Class Notice available at www.hoodsettlement.com. Copies of additional Settlement documents including the Settlement Agreement with exhibits, the Preliminary Approval Order, and related court filings, are also available for review at www.hoodsettlement.com.

How can I exclude myself from the Class and Settlement? If you want to exclude yourself from the Class and Settlement, you must mail a request for exclusion **postmarked no later than June 15, 2026**, to Verita Global, Class Counsel, and Defense Counsel. The requirements for a request for exclusion, and the addresses to whom it must be mailed, are set forth in the longer form Class Notice on the Settlement website, www.hoodsettlement.com. If you exclude yourself, you will not be in the Settlement Class and will not be eligible to receive any benefits from the Settlement. If you do not timely exclude yourself from the Settlement, you will remain part of the Settlement Class and will be bound by all terms and provisions of the Settlement Agreement, including the Release of Claims, and any orders and judgments of the Court.

How can I object? If you want to stay in the Settlement Class but object to the Settlement or to Class Counsel's request for Attorneys' Fees and Costs and/or Class Representative Service Awards, you must file an objection or comment with the Court **no later than June 15, 2026**. For further information and instructions on the specific requirements for an objection and when, where, and how to file one, refer to the longer form Class Notice at www.hoodsettlement.com.

Do I have a lawyer in this case? Yes. The Court has appointed the law firm of Lemberg Law LLC to represent you and the Settlement Class. These attorneys are called Class Counsel. You will not be charged for their services. If you would like to retain your own counsel, you may do so at your own expense.

The Court's Final Fairness Hearing. The Court will hold a Final Fairness Hearing on **August 3, 2026 at 1:00 p.m.**, at the Fred D. Thompson U.S. Courthouse and Federal Building, 719 Church Street, Courtroom 5C, Nashville, TN 37203, to consider whether to (1) grant final approval of the Settlement, and (2) approve Class Counsel's request for reasonable attorneys' fees and costs of up to \$1,750,000 (collectively), and Service Awards of up to \$5,000 for each Plaintiff-Settlement Class Representative.
