# GranTurismo / GranCabrio Folgore – High Voltage Battery Fuse Availability

DATE: June 9, 2026

This bulletin provides updated information and further clarification regarding To avoid replacing the entire high voltage battery—with the resulting impact on both costs and vehicle downtime—due to certain fuses within the battery, it has been decided to make these fuses available and serviceable as separate components.

## Affected Models

- GranTurismo / GranCabrio Folgore EV (All MY)

## Details of Available Components

The following spare parts are now available:

- P/N #673017853: 20A FUSE (component #29 in Spare Parts Catalogue Section 08.61-2).
- P/N #673017852: 50A FUSE (component #28 in Spare Parts Catalogue Section 08.61-2).

🔧 Note: Always refer to the latest Technical Documentation to confirm correct parts application.

## Workshop Procedure

Replacement procedures are published in the Technical Documentation:

- #8.61.111: APM FUSE (HV BATTERY OFF-BOARD) – Replacement.
- #8.61.112: EAC FUSE (HV BATTERY OFF-BOARD) – Replacement.
- #8.61.113: ECH FUSE (HV BATTERY OFF-BOARD) – Replacement.

Special Tools: P/N #900100039 and P/N #900100038; for details regarding these tools, refer to spare parts communication MAS005170.

We remain at your disposal for any further clarification.

Kind regards.
