2010-11	ZDX	ALL	Check the iN VIN status for eligibility.

WARRANTY CLAIM INFORMATION

- To avoid non-payment of warranty claims, the new airbag module part number and serial number must be included in each claim. For more information, refer to step of REPAIR PROCEDURE.
- To avoid a warranty claim being charged back to your dealership, follow the normal warranty part retention rules. American Honda may call in the original airbag module.
- The serial number is encoded into the bar code label attached to the outside of the box. If your dealership uses a scanner, you can scan the serial number into the claim.
- The part number is encoded into a barcode attached to the outside of the box. If your dealership uses a scanner, you can scan the part number into the claim.
- If you confuse the serial number and part number when entering the claim information, your claim will automatically be rejected.**
- You must enter a DTC in the DTC field of the warranty claim.
- The FRT includes time for the inspection and replacement of the airbag module.
