Software Update - Driver Facing Camera

Driver Status Monitoring Camera

As a reminder, ensure you have a recurring Software Update schedule set in order to receive important updates for your vehicle. Visit the Software Update settings in-vehicle or on your mobile app.

1

DSMC-26.15.1

"This software update contains the following key changes:

- We're continuing to optimize your vehicle's Driver Facing Camera to enhance eye-detection accuracy. This update is designed to reduce 'Watch the Road' warnings that may occur when the driver has their eyes on the road."
