

Title: 12Volt Battery Strategy Update

Applicability: MY 2025 Revero, GS-6 vehicles, and Revero GT and GTS

Market Region: All

The 12V battery PN: C131191900200 (Lifeline) used in the above referenced vehicles will no longer be stocked through KARMA Parts Distribution Centers effective as of June 19, 2026 (06/19/2026).

Action Required:

Dealers are responsible for sourcing this battery to support all their own client service and warranty repairs moving forward.

We would recommend reaching out the original manufacturer for the Lifeline Battery LL-1257TB for a direct replacement to

To locate a supplier:

1. Access the supplier locator tool: <https://lifelinebatteries.com/find-a-dealer/>
2. Insert your Dealer Zip code
3. Identify nearest authorized supplier
4. Contact supplier to confirm availability and place order

Note:

- This battery is not typically stocked and will require ordering.
- Dealers are responsible for establishing accounts with suppliers as needed
- Payment for externally sourced batteries is the responsibility of the dealer

Alternate battery information

If the primary battery is not available within a reasonable timeframe, the following alternative manufacturer is approved:

- Total Power – Part Number: TP1500 Racing Battery
- Website – totalpowerbatteries.com

This alternative has been validated for proper fit and performance.

Only the listed alternative is approved.

Use of non-approved batteries is not permitted.

Karma Automotive Bulletins and service documents are intended for use by experienced and trained Technicians. If you lack the skills, tools, equipment and a suitable workshop for any procedure described in this document, we suggest you leave such repairs to a Karma retailer and service provider. See your service provider for advice on whether your vehicle may benefit from the information contained within this document. The information contained in the Karma Bulletin is accurate at the date of publication. However, Karma Automotive regularly updates technical information. Please check with your Karma Automotive Retailer and Karma Automotive service provider that the bulletin you intend to use contains the latest available information.

Warranty Information

Standard warranty procedures apply.

- Dealers must retain documentation of battery sourcing
- Only primary or approved alternative batteries are eligible for warranty consideration
- Dealer sourced 12V batteries may carry warranty from the battery manufacturer and not Karma for these replaced components

Dealer Notes:

- No inventory will be available through KARMA after the effective date
- Dealers must transition to external sourcing immediately
- Please apply some advance planning to avoid repair delays
