July 2, 2026

TO: Goodyear Company Owned Stores, Independent Goodyear Dealers, Cooper, Roadmaster Independent Dealers, Velocity Dealers & Wholesale Distributors

Subject: 11R22.5 Endurance LHS Commercial Tire Customer Satisfaction Campaign

The Goodyear Tire & Rubber Company is aware that some 11R22.5 Endurance LHS Load Range H commercial truck steer tires manufactured in DOT weeks 1025 through 1126 (March 9, 2025, through March 21, 2026) ("**subject tires**") have experienced tread separation adjustments and property damage claims. Due to the level of customer dissatisfaction, we have decided to conduct this proactive Customer Satisfaction Campaign to replace the subject tires.

Letters will be mailed to owners of these tires soon asking them to contact an authorized Goodyear Commercial Tire and Service Network location or authorized Goodyear Commercial Truck Tire dealer and arrange to have their tires verified as being "subject tires" replaced. We request your assistance in handling customers involved in this campaign. Dealers will receive full credit for each qualifying tire returned. In addition, dealers will receive reimbursement for dismounting, mounting, balancing and handling costs.
