Goodyear Customer Satisfaction Campaign

11R22.5 Endurance LHS Load Range H

Dear Endurance LHS Customer:

The Goodyear Tire & Rubber Company is aware that some **11R22.5 Endurance LHS, LR H** commercial truck steer tires manufactured in DOT weeks **1025 through 1126** (March 9, 2025, through March 21, 2026) (“**subject tires**”) have experienced tread separation adjustments and property damage claims. Due to the level of customer dissatisfaction, we have decided to conduct this proactive Customer Satisfaction Campaign to replace the subject tires.

Records indicate that you may have purchased one or more of the subject tires. You should contact the nearest authorized Goodyear Commercial Tire and Service Network location or authorized Goodyear commercial truck tire dealer and arrange for them to inspect your 11R22.5 Endurance LHS steer tires to determine if they qualify for free replacement. If your commercial truck is found to be fitted with qualifying Endurance LHS tires, they will be replaced at no-charge.
