2026-07-29	A	Mobile app tune has been resolved.
	*	Updated: Purpose for Parts and Accessories Bulletin
2026-07-24	-	Initial release

Purpose for Parts and Accessories Bulletin

This bulletin informs dealers that the tune for the Screamin' Eagle Pro Street Tuner has been resolved with the latest mobile app update. Make sure your mobile device has the latest software version:

- Android v26.002.6005
- iOS v26.002.7005

Vehicles Affected

2021-2024 Softail Models

2021-2023 CVO and Touring Models

2021-2025: Road King/Special Models

2021-2025 Trike Models

Markets Affected

United States, Canada, Mexico

Summary

Initial Issue: An error will occur when selecting Program Motorcycle or Smart Tune functions on your iOS or Android device. When selecting either option, the application will not proceed to the next stage of that function. There is no resolution at this time and we would recommend using a PC to complete Program Motorcycle or Smart Tune functions on impacted vehicles at this time.

Questions

Contact Technical Service with any concerns regarding application. Direct all other questions to the Dealer Services Representative.
