

This notice applies to your vehicle. Refer to the provided list.

Original Equipment Manufacturer Customer Satisfaction Campaign benefiting Altec installed equipment.

Dear Altec Owner,

Altec Industries, Inc. has been notified that a condition exists based upon a notification from the Original Equipment Manufacturer (OEM) of component(s) or accessory(ies) included with your Altec equipment. This relates to the operation or customer satisfaction of the included component(s) or accessory(ies).

Refer to attached documentation that follows this letter. If you have additional questions, please contact your Altec Account Manager. You may also contact the OEM using the contact information in the attached notice.

If you had this repair performed before you received this letter, you may be eligible to receive reimbursement for the cost of obtaining a pre-notification remedy of the problem associated with this recall.

If you have sold or retired the unit, update the records through Altec Connect. If you have leased this equipment to another person or company, you are required by Federal Law to forward a copy of this notice to the lessee by first class mail within ten (10) days of the receipt of this notice.

We appreciate your assistance in following this action in the interest of your continued satisfaction with Altec products.

Thank you for your immediate attention on this important matter.

COMPONENT/SUPPLIER RECALL CSR-3319-A

Adaptive Cruise Control Not Equipped on Cummins (SF735)

Copy of Notice to Owners

Adaptive Cruise Control (ACC): Cummins Medium Duty Engines

Daimler Truck North America LLC (DTNA), on behalf of its Freightliner Trucks Division, and wholly owned subsidiary, Western Star Truck Sales, Inc. is initiating Field Service Campaign SF735 to modify specific model year 2026 Freightliner 108SD, 114SD, M2, and Western Star 47X vehicles, manufactured January 13, 2025 to June 6, 2025.

Due to a software integration delay, certain vehicles ordered with Detroit Assurance were not equipped with Automatic Cruise Control (ACC).

Parameters will be updated to enable ACC.

Please contact an authorized DTNA dealer to arrange to have the campaign performed. The campaign will take approximately one hour and will be performed **free of charge**. To locate an authorized dealer go to <https://northamerica.daimlertruck.com/brands/support>. At the bottom of the page click on the appropriate brand (shown as an icon), and at the top of each brand's page is an option to 'Find a Dealer'.

This Field Service Campaign will **terminate on February 28, 2027**. Please make sure the campaign is completed prior to this date. Work completed after this date will be done at the customer's expense.

As stated in the terms of your express limited warranty, Daimler Truck North America LLC will not pay for any damage caused by failure to properly maintain your vehicle. Daimler Truck North America LLC considers the work necessary under this campaign to be proper maintenance and, therefore, will not pay for any damage to your vehicle caused by your failure to have the repairs that are the subject of this campaign performed in a reasonable time.

If you have any questions, contact the Warranty Campaigns Department at (800) 547-0712, from 7 a.m. to 4 p.m. Pacific Time, Monday through Friday, e-mail address: dtna-war-campaigns@daimlertruck.com, or contact the Customer Assistance Center at (800) 385-4357.
