

**Safety Recall 05S28 – Speed Control System  
Your Dealer Has Parts For Your Ranger**

Customer Name February, 2008

Parts to perform the necessary repairs on your vehicle are now available. We urge you to contact your dealer as soon as possible to schedule an appointment to have the repair performed. If you had the Interim Repair (disconnect) performed, the final repair will restore operation of the speed control system. There is no charge to vehicle owners for recall repairs performed by an authorized dealer. If your dealer has recently completed the final repair for this recall, please disregard this notice.
