Customer Satisfaction Program 14B07
Programa de satisfacción del cliente 14B07

Mr. John Sample
123 Main Street
Anywhere, USA 12345

Your Vehicle Identification Number (VIN): 12345678901234567

At Ford Motor Company, we are committed not only to building high quality, dependable products, but also to building a community of happy, satisfied customers. To demonstrate that commitment, we are providing a no-charge Customer Satisfaction Program for your vehicle with the VIN shown above.

Why are you receiving this notice?

Under certain driving conditions, the transfer shaft gear assembly bearing on your vehicle may fail prematurely. This can result in thumping, rubbing, or grinding noises from the transmission, and may be accompanied by the illumination of the powertrain fault indicator in the instrument cluster (shown above to the right).

What will Ford and your dealer do?

In the interest of customer satisfaction, Ford Motor Company has authorized your dealer to inspect your vehicle's transmission and either repair or replace it free of charge (parts and labor) under the terms of this program. This Customer Satisfaction Program will be in effect until May 31, 2016 regardless of mileage. Coverage is automatically transferred to subsequent owners.

How long will it take?

The time needed for this repair is less than two days. However, due to service scheduling requirements, your dealer may need your vehicle for a longer period of time.

What should you do?

Please call your dealer without delay and request a service date for Customer Satisfaction Program 14B07. Provide the dealer with the VIN of your vehicle, which is printed near your name at the beginning of this letter. If you do not already have a servicing dealer, you can access www.Fordowner.com for dealer addresses, maps, and driving instructions. Ford Motor Company wants you to have this service action completed on your vehicle. The vehicle owner is responsible for making arrangements to have the work completed. Ford Motor Company can deny coverage for any vehicle damage that may result from the failure to have this service action performed on a timely basis. Therefore, please have this service action performed as soon as possible.

Have you previously paid for this repair?

If you have previously paid for a repair that addresses the issue described in this letter, you still need to have this service action performed to ensure the correct parts and procedures were used.

If the previously paid for repair was performed before the date of this letter, you may be eligible for a refund. Refunds will only be provided for service related to transmission repairs related to transfer shaft gear assembly bearing failure. To verify eligibility and expedite reimbursement, give your paid original receipt to your dealer before January 31, 2016. To avoid delays, do not send receipts to Ford Motor Company.

What if you no longer own this vehicle?

If you no longer own this vehicle, and have an address for the current owner, please forward this letter to the new owner.

You received this notice because our records, which are based primarily on state registration and title data, indicate that you are the current owner.

Can we assist you further?

If you have difficulties getting your vehicle repaired promptly and without charge, please contact your dealership's Service Manager for assistance.
