RALLY TRIVIA CHALLENGE

When approaching a sharp turn, rally drivers will sometimes steer their car to the outside while applying the brakes, then quickly steer to the inside while engaging the throttle to better maintain momentum through the corner. What is the name of this Finnish-inspired driving technique?

See inside for answer.

Urgent: Complete this recall. Get \$100!
Catch our drift?

We'll hook you up with **\$100** off any Genuine Subaru Parts or service when you complete your passenger-side airbag recall repair with us for FREE.

COMPLETE YOUR RECALL. RECEIVE \$100!

[Customer's First Name],

We know your [WRX/STI] means a lot to you, but so do those you share the ride with. Even if your Subie is customized, driven only on weekends, or worked on by yourself – we just want everyone to be safe! Which is why we'll give you \$100 off any Genuine Subaru Parts or service if you have your passenger-side front-airbag inflator replaced with us – due to the recall for its high risk of faulty combustion.

Please schedule an appointment for this FREE service with your Subaru retailer immediately – online or by phone – and we'll reward you for protecting your copilot.

What you can expect for this recall:

- **FREE** passenger-side front-airbag inflator replacement
- **FREE** loaner vehicle (if needed)
- Approximately one hour of repair time
- Convenient appointment scheduling
