ONE QUICK CALL TO KEEP YOU SAFE

Call now to set up your **FREE** repair with your local authorized dealer. The repair may take an hour, depending on the dealer's schedule.

1-888-234-2138

Monday through Friday, 8am to 9pm EST.

YOUR DRIVER AIRBAG INFLATOR NEEDS TO BE REPLACED

The driver's airbag inflator in your 2001 Honda Accord could produce excess pressure upon deployment, causing the inflator to rupture. Fragments from ruptured inflators could hit you or others in the vehicle.

Figure 1. Proper airbag deployment.

Due to the severity of this defect, your vehicle has been recalled and must be repaired immediately. This repair is free of charge.

Figure 2. Driver Airbag Deployment with Inflator Rupture.

Past airbag inflator ruptures HAVE KILLED or INJURED vehicle occupants

COMPLIMENTARY ALTERNATE TRANSPORTATION

To help with the inconvenience of this free repair, we can provide complimentary alternate transportation for you during the time of the repair. If you feel unsafe driving your vehicle, Honda will arrange to tow your vehicle to the nearest authorized dealer at no cost to you.
