Subject: Tire May Lose Air Due to Pin Size Hole in Sidewall

Dear Mr. McCracken:

This letter serves to acknowledge Cooper Tire & Rubber Co.'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

ROADMASTER/RM234/295/75R22.5

Mfr's Report Date: March 11, 2016

NHTSA Campaign Number: 16T-003

Components:

TIRES:SIDEWALL

Potential Number of Units Affected: 577

Problem Description:

Cooper Tire & Rubber Co. (Cooper) is recalling certain Roadmaster RM234 EM tires, size 295/75R22.5, manufactured August 6, 2015, to September 5, 2015 (weeks 3115-3515). The affected tires may have a pin-sized hole in the sidewall that can result in a loss of air.

Consequence:

A loss of tire air pressure can cause sudden tire failure, increasing the risk of a crash.

Remedy

Cooper will notify owners, and dealers will replace the tires including the mounting and balancing, free of charge. The manufacturer has not yet provided a notification schedule. Owners may contact Cooper customer service at 1-800-854-6288. Cooper's number for this recall is 4Y.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

We have received Cooper's proposed owner notification letter and it is currently under review. You will be notified of any changes or concerns once our review is complete.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

You are required to provide an estimated date including month, day, and year, when you will send notifications to owners, dealers, and distributors as soon as it becomes available. Please be reminded that it is required that owners be notified of a safety defect in their vehicles within 60 days of a manufacturer's notification to NHTSA of a safety defect in those vehicles.

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Tariq Bond who may be reached by phone at 1-202-366-5472, or by email at tariq.bond@dot.gov or through the office email at rmd.odi@dot.gov. We look forward to working with you.

Sincerely,
