Your Vehicle Identification Number (VIN): 12345678901234567

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

The Lincoln Motor Company has decided that your vehicle, with the VIN shown above, fails to conform to Federal Motor Vehicle Safety Standard (FMVSS) No. 208, Occupant Crash Protection.

We apologize for this situation and want to assure you that, with your assistance, we will correct this condition. Our commitment, together with your dealer, is to provide you with the highest level of service and support.

What is the issue? In the event of a driver airbag deployment on your vehicle, the driver airbag cushion may not completely fill, or the cushion may detach from the airbag module, increasing risk of an injury to the driver in a crash.

What will Lincoln and your dealer do? The Lincoln Motor Company is working closely with its suppliers to produce parts for this repair. When parts become available for Compliance Recall 17C02, The Lincoln Motor Company will notify you via mail to schedule a service appointment with your dealer for repairs to be completed free of charge (parts and labor). Parts are anticipated to be available to begin repairing vehicles in late second quarter, 2017.

What should you do? When parts are available, The Lincoln Motor Company will send a letter to inform you that parts are available and to contact your dealer to schedule a repair. If you do not already have a servicing dealer, you can access www.Lincolnowner.com for dealer addresses, maps, and driving instructions.
Please note: Federal law requires that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days.
