October 2017

Emission Recall 17E06  
Programa de Emisiones 17E06

Mr. John Sample  
123 Main Street  
Anywhere, USA 12345

Your Vehicle Identification Number (VIN): 12345678901234567

Ford Motor Company values you as a customer and is committed to vehicle quality and preserving the environment. Therefore, we are voluntarily recalling your vehicle, with the VIN shown above. Your vehicle may exceed applicable emission standards if this service is not performed.

- What is the issue?** On your vehicle, the engine crankcase oil separator filter element may have a bypass valve with an incorrect spring rate.
- What is the effect?** An incorrect spring rate in the bypass valve may result in increased carbon dioxide (CO<sub>2</sub>) emissions over time.
- What will Ford and your dealer do?** Ford Motor Company has authorized your dealer to replace the engine oil separator filter element free of charge (parts and labor). You are eligible for this free service even if you previously used non-Ford parts to service your vehicle or had your vehicle serviced at a non-Ford dealer.
- If you do not have this service performed:**
- your vehicle may not pass emission or smog tests that may be required in your area.
  - your State Department of Motor Vehicles may not renew your vehicle registration.
  - your emissions warranty may be reduced.
- How long will it take?** The time needed for this repair is less than one-half day. However, due to service scheduling requirements, your dealer may need your vehicle for a longer period of time. Additional time may be required to allow the engine to cool prior to performing this repair.
- What should you do?** Please call your dealer without delay and request a service date for Emission Recall 17E06. Provide the dealer with the VIN, which is printed near your name at the beginning of this letter.

**What should you do?  
(Continued)**

If you do not already have a servicing dealer, you can access [www.Fordowner.com](http://www.Fordowner.com) for dealer addresses, maps, and driving instructions. Ford Motor Company wants you to have this recall completed on your vehicle. The vehicle owner is responsible for making arrangements to have the work completed. Ford Motor Company can deny coverage for any vehicle damage that may result from the failure to have this recall performed on a timely basis. Therefore, please have this recall performed as soon as possible.

Your vehicle may be equipped with a diagnostic feature called the Vehicle Health Report which can inform you about all available recalls, as well as other key vehicle health information. Please see <https://owner.ford.com/vehicle-health> for more information.

**What if you no longer own this vehicle?**

If you no longer own this vehicle, and have an address for the current owner, please forward this letter to the new owner.

You received this notice because government regulations require that notification be sent to the last known owner of record. Our records are based primarily on state registration and title data, which indicate that you are the current owner.

**Can we assist you further?**

If you have difficulties getting your vehicle repaired promptly and without charge, please contact your dealership's Service Manager for assistance.

**RETAIL OWNERS:** If you have questions or concerns, please contact our **Ford Customer Relationship Center at 1-866-436-7332** and one of our representatives will be happy to assist you. Si necesita ayuda o tiene alguna pregunta, por favor llame al Centro de Relación con Clientes al 1-866-436-7332 y presione 2 para Español.

**California and Massachusetts Registration Requirements**

The State of California and the Commonwealth of Massachusetts require the completion of emission recall repairs prior to vehicle registration renewal. If your vehicle is registered in California or Massachusetts, it is subject to these requirements.

**California and  
Massachusetts  
Registration  
Requirements  
(Continued)**

When your dealer completes this emission recall repair, you will receive a Vehicle Emission Recall Proof of Correction certificate. **Please make sure that you receive a certificate from your dealer and that you have it with you when you renew your vehicle registration.**

**It is also important for you to know that the certificate should be returned to the Department of Motor Vehicles (DMV) only if it is requested by the DMV. Otherwise, this certificate is to be held by you for your records.**

In order to ensure your full protection under emissions warranty provisions, and to avoid any inconvenience when renewing your registration, it is recommended that you have your vehicle serviced as soon as possible. Failure to do so could be determined as lack of proper maintenance of your vehicle.

Thank you for your attention to this important matter.
