At Ford Motor Company, we are committed not only to building high quality, dependable products, but also to building a community of happy, satisfied customers. To demonstrate that commitment, we are providing a no-charge Customer Satisfaction Program for your vehicle with the VIN shown above.

- Why are you receiving this notice?** Although your vehicle's exhaust manifolds are likely functioning fine, we are pleased to let you know that, for your peace of mind, Ford Motor Company is extending the warranty coverage on the exhaust manifolds.
- What is the effect?** This increases the exhaust manifold warranty coverage to a total of 10 years or 110,000 miles from the warranty start date, whichever occurs first. If your vehicle has already exceeded either time or mileage limits listed above, this extended warranty coverage will last through June 30, 2018. Coverage is automatically transferred to subsequent owners.
- What will Ford and your dealer do?** If one or both of your vehicle's exhaust manifolds require replacement and your vehicle is within the indicated time/mileage limitations, Ford Motor Company has authorized your dealer to replace the exhaust manifolds and related hardware free of charge (parts and labor).
- How long will it take?** If the component mentioned above requires replacement, the time needed for this repair is one and a half days. However, due to service scheduling requirements, your dealer may need your vehicle for a longer period of time. In addition, your vehicle will require an inspection to determine if parts need to be ordered.
- What should you do?** You do not need to return to your dealer for this repair unless you have an exhaust manifold leak which can cause an exhaust noise. Please keep this letter as a reminder of the extended warranty coverage for the exhaust manifolds. If an exhaust manifold requires replacement, and your vehicle is within the indicated time/mileage limitations, contact your dealer to schedule a service appointment. Provide the dealer with the VIN of your vehicle to schedule a service appointment for Customer Satisfaction Program 17M05. The VIN is printed near your name at the beginning of this letter. Your dealer will replace the parts at no charge.

**What should you do?
(Continued)**

If you do not already have a servicing dealer, you can access www.Fordowner.com for dealer addresses, maps, and driving instructions. NOTE: You can receive information about Recalls and Customer Satisfaction Programs through our FordPass App. The app can be downloaded through the App Store or Google Play. In addition there are other features such as reserving and paying for parking in certain locations and controlling certain functions on your vehicle (lock or unlock doors, remote start) if it is equipped to allow control.

Do you need a rental vehicle?

If your dealer determines that replacement of the exhaust manifolds is required and needs your vehicle overnight, your dealer is authorized to provide a rental vehicle for your personal transportation at no charge (except for fuel, insurance, and tax) while your vehicle is at the dealership for repairs. Please see your dealer for guidelines and limitations.

Have you previously paid for this repair?

If you paid to have this service done before the date of this letter, you may be eligible for a refund. Refunds will only be provided for service related to replacement of the exhaust manifolds. To verify eligibility and expedite reimbursement, give your paid original receipt to your dealer before June 30, 2018. To avoid delays, do not send receipts to Ford Motor Company.

What if you no longer own this vehicle?

If you no longer own this vehicle, and have an address for the current owner, please forward this letter to the new owner. You received this notice because our records indicate that you are the current owner.
