January 2018

Your Vehicle Identification Number (VIN): 12345678901234567

At Ford Motor Company, we are committed not only to building high quality, dependable products, but also to building a community of happy, satisfied customers. To demonstrate that commitment, we are providing a no-charge Customer Satisfaction Program for your vehicle with the VIN shown above.

**Why are you receiving this notice?**

Service Engine Soon indicator

Although your vehicle's canister purge valve (CPV) is likely functioning properly, we are pleased to let you know that, for your peace of mind, Ford Motor Company is extending the warranty coverage on the CPV.

NOTE: The Service Engine Soon indicator will illuminate if your CPV is not functioning properly.

**What is the effect?**

This program increases warranty coverage of the CPV to a total of 10 years or 120,000 miles from the warranty start date, whichever occurs first.

If your vehicle has already exceeded either time or mileage limits listed above, this extended warranty coverage will last through August 31, 2018. Coverage is automatically transferred to subsequent owners.

**What will Ford and your dealer do?**

If your vehicle's CPV requires replacement due to the presence of any of these diagnostic trouble codes (DTCs): P1450, P0443, P0456, P2196, and P2198, or fails a leak test, and your vehicle is within the indicated time/mileage limitations, Ford Motor Company has authorized your dealer to replace the CPV free of charge (parts and labor).

**How long will it take?**

If the component mentioned above requires replacement, the time needed for this repair is less than one-half day. However, due to service scheduling requirements, your dealer may need your vehicle for a longer period of time. In addition, your vehicle may require an inspection to determine if parts need to be ordered.

**What should you do?**

You do not need to return to your dealer for this repair unless you have the Service Engine Soon indicator illuminated. Please keep this letter as a reminder of the extended warranty coverage for your CPV. If the CPV requires replacement, and your vehicle is within the indicated time/mileage

limitations, contact your dealer for a service appointment. Provide the dealer with the VIN of your vehicle and request a service appointment for Customer Satisfaction Program 17M06. The VIN is printed near your name at the beginning of this letter. Your dealer will replace the part at no charge if certain DTCs are stored.

If you do not already have a servicing dealer, you can access [www.Fordowner.com](http://www.Fordowner.com) for dealer addresses, maps, and driving instructions.

NOTE: You can receive information about Recalls and Customer Satisfaction Programs through our FordPass App. The app can be downloaded through the App Store or Google Play. In addition there are other features such as reserving and paying for parking in certain locations and controlling certain functions on your vehicle (lock or unlock doors, remote start) if it is equipped to allow control.

**Have you previously paid for this repair?**

If you paid to have this service done before the date of this letter, you may be eligible for a refund. Refunds will only be provided for service related to the repair description. To verify eligibility and expedite reimbursement, give your paid original receipt to your dealer before **August 31, 2018**. To avoid delays, do not send receipts to Ford Motor Company.

**What if you no longer own this vehicle?**

If you no longer own this vehicle and have an address for the current owner, please forward this letter to the new owner. You received this notice because our records indicate that you are the current owner.

**Can we assist you further?**

If you have difficulties getting your vehicle repaired promptly and without charge, please contact your dealership's Service Manager for assistance.
