REF: Safety Recall 17S33 – Advance Notice
 Dated: October 17, 2017

AFFECTED VEHICLES

Vehicle	Model Year	Assembly Plant	Build Dates
F-150	2015-2017	Dearborn	March 12, 2014 through December 31, 2016
		Kansas City	August 11, 2014 through December 30, 2016

NOTE: F-150 vehicles that had a paid claim for TSB 16-0155 were excluded from this program.

REASON FOR THIS SAFETY RECALL

In the affected vehicles, a frozen door latch, or a bent or kinked door latch actuation cable, may result in a door that will not open, will not close, or opens while driving condition, increasing the risk of injury.

Refer to chart below for affected doors:

Vehicle	Front Door	Rear Door
F-150 Regular Cab	ALL	–
F-150 Super Cab	ALL	ALL
F-150 Crew Cab	ALL	Built on/before September 1, 2016
F-Super Duty Crew Cab	Not Affected	Built on/before September 1, 2016

SERVICE ACTION

Before demonstrating or delivering any new in-stock vehicles involved in this recall, dealers are to install door latch water shields in the affected doors and repair any kinks in the latch actuation cables. This service must be performed on all affected vehicles at no charge to the vehicle owner.

SEED STOCK PARTS SHIPMENT PLAN

Beginning the week of December 11, 2017, dealers will receive a weekly seed stock shipment of door latch water shields and lock rods. Parts will be shipped weekly until they are available for open order, which is expected to occur late in the first quarter of 2018. The volume of parts shipped to each dealer will vary by part number and will be based on a percentage of the assigned vehicles on dealers FSA VIN lists.

OWNER NOTIFICATION MAILING SCHEDULE

Parts to repair this condition are currently not available in sufficient quantities to service all of the affected vehicles. Therefore, to ensure an ample supply of parts is available, owners of affected vehicles will be notified in four separate mailings. Mailing is expected to begin late in the first quarter of 2018. Dealers should repair any affected vehicles that arrive at their dealerships, whether or not the customer has received a letter.

PLEASE NOTE:

Federal law requires dealers to complete this recall service before a new vehicle is delivered to the buyer or lessee. Violation of this requirement by a dealer could result in a civil penalty of up to \$21,000 per vehicle. Correct all vehicles in your new vehicle inventory before delivery.

Accordingly, you must limit the use of this listing to the follow-up necessary to complete this recall.

SOLD VEHICLES
