IMPORTANT SAFETY RECALL
This Notice Applies to Your Recreational Vehicle VIN
NHTSA Recall Campaign # 17V-696

Name
Address
City st zip

Dear Valued Customer:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Jayco has decided that certain 2018 Jay Flight SLX Travel Trailers manufactured July 17, 2015 through August 31, 2017 at the Idaho production facility and January 14, 2016 through August 31, 2017 at the Indiana production facility have incorrect wiring from the battery to the 35amp converter.

The electrical circuit from the battery to converter does not have overcurrent protection. If a short-circuit would occur, the unprotected circuit could overheat resulting in a fire, increasing the risk of injury and/or damage to property.

The Recall Remedy is the installation of appropriate circuit protection. The remedy will take approximately half an hour and will be at no cost to you. If you choose to take your vehicle to a non-Jayco dealer, they must contact Jayco prior to making the recall repairs for proper authorization and instruction. Federal regulations require that any vehicle lessor receiving this notice must forward a copy of this notice to the lessee within **ten days**.

If you take your recreational vehicle to your dealer on the agreed service date and the dealer does not remedy this condition on that date or within three (3) days, please contact our Customer Service Department at 800-283-8267. If after contacting your dealer and Customer Service you are not able to have the safety defect remedied without charge and/or within a reasonable time, you may wish to submit a written complaint to the Administrator, national Highway Traffic Safety Administration, 1200 New Jersey Avenue, SE., Washington, DC 20590; or call the toll-free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9153); or go to <http://www.safercar.gov>.

We certainly regret this inconvenience; however your safety is our most important priority.

Sincerely,
Jayco Towable Division
