**Mfr's Report Date:** December 12, 2017

**NHTSA Campaign Number:** 17V-753

**Components:**

EQUIPMENT

**Potential Number of Units Affected:** 7,896

**Problem Description:**

DRV Suites (DRV) is recalling certain 2007-2018 Elite Suites, 2014-2018 Full House, 2003-2018 Mobile Suites, 2010-2018 Mobile Suite Estates, 2006-2012 Select Suite, 2013-2016 Tradition, and 2017 Travel Suites recreational vehicles, equipped with certain Kidde Plastic-Handle or Push Button 'Pindicator' Fire Extinguishers. These extinguishers may become clogged, preventing the extinguisher from discharging as expected or excessive force may be needed to activate the extinguisher. Additionally, in certain models, the nozzle may detach from the valve assembly with enough force that it could cause injury and also render the product inoperable. For a full list of the affected fire extinguisher models visit: <https://static.nhtsa.gov/odi/rc1/2017/RMISC-17E062-5427.pdf>

**Consequence:**

In the event of a fire, if the fire extinguisher does not function properly, it can increase the risk of injury.

**Remedy:**

DRV will notify owners, instructing them to contact Kidde for a replacement fire extinguisher, free of charge. The recall is expected

to begin January 22, 2018. Owners may contact DRV customer service at 1-574-457-6472, or Kidde customer service toll free at 1-855-271-0773, or online at [www.kidde.com](http://www.kidde.com) and click on "Product Safety Recall" for more information.

**Notes:**

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to [www.safercar.gov](http://www.safercar.gov).

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

We understand that you intend for Kidde to supply the required six quarterly recall completion rate reports.

Your contact for this recall will be Michelle Rice who may be reached by phone at (202) 366-1060, or by email at [michelle.rice@dot.gov](mailto:michelle.rice@dot.gov) or through the office email at [rmd.odi@dot.gov](mailto:rmd.odi@dot.gov). We look forward to working with you.
