NHTSA RECALL 17V-837

Dear Nissan Versa Note owner:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. Nissan has decided that a defect, which relates to motor vehicle safety, exists in Model Year 2018 Nissan Versa Note vehicles. Our records indicate you own or lease a Nissan vehicle subject to this recall as identified by the Vehicle Identification Number (VIN) on the inside of this notice.

Reason for Recall **Motivo del Retiro**

Certain Model Year 2018 Nissan Versa Note vehicles contain curtain air bags that may have been manufactured out of specification and may not deploy as designed in a crash. During deployment of the side curtain air bag, a component of the air bag inflator may detach. If the component detaches during deployment, it may increase the risk of injury to vehicle occupants in a type of a crash in which the curtain air bag is designed to deploy.

What Nissan Will Do **Qué Hará Nissan**

Nissan will inspect your Versa Note and replace the appropriate side curtain air bag(s) in your vehicle, free of charge. This free service may take up to three (3) hours to complete depending on how many air bags are replaced. However, your Nissan dealer may require your vehicle for a longer period of time based upon their work schedule.
