Update: Revision to Tinted Windshield Non-Compliance Recall

Revised: Parts Bulletin #71-04-18R

RECALL ANNOUNCEMENT

Please see the attached revised Parts Bulletin #71-04-18R which contains the following changes:

From:

Notify customers who purchased the windshield of the need to carry out this service campaign for their motorcycle to be compliant with NHTSA standards. For motorcycles that have not yet been delivered and have a windshield installed from the affected parts list, the service campaign must be carried out before delivery to customers.

To:

Notify customers who purchased the windshield of the need to carry out this service campaign for their motorcycle to be compliant with NHTSA standards. An example customer letter is attached for your use. Please provide it to your customers. For motorcycles that have not yet been delivered and have a windshield installed from the affected parts list, the service campaign must be carried out before delivery to customers.

Previous Message (4/5/2018)

Please note that effective immediately the below part numbers are no longer available. The dealer accessory tinted windshields listed below do not conform to NHTSA requirements.

Please stop the sale of all the listed parts. See attached bulletin for the return of dealer inventory and the replacement of the tinted windshields on customer/dealer motorcycles.

Motorcycles in dealer inventory equipped with the affected windshield must have the windshield removed before you can legally retail the vehicle.
