Subject: Air Bags/Seat Belt Pretensioners may be Disabled

Dear Ms. Medley:

This letter serves to acknowledge TRW Automotive Inc's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

ZF/AIR BAG CONTROL UNIT/9999

Mfr's Report Date: June 20, 2018

NHTSA Campaign Number: 18E-043

Components:

AIR BAGS: AIR BAG CONTROL MODULE

Potential Number of Units Affected: 727,921

Problem Description:

TRW Automotive Inc (TRW) has submitted a Defect Information Report based upon decisions made by Hyundai Motor America and Kia Motors America to conduct recalls (numbers 18V137 and 18V363 respectively). In the event of a crash, certain ZF Air Bag Control Units (ACU) may be damaged from electrical overstress, preventing the frontal air bags and seat belt pretensioners from deploying.

Consequence:

If the frontal air bags and seat belt pretensioners are disabled, there is an increased risk of injury to the vehicle occupants in the event of a vehicle crash that necessitates deployment of these safety systems.

Remedy:

TRW is working with the vehicle manufacturers. Hyundai and Kia are finalizing the remedy plans for this recall. Hyundai owners may contact Hyundai customer service at 1-855-371-9460. Kia owners may contact Kia customer service at 1-800-333-4542.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

Your contact for this recall will be Michelle Rice who may be reached by phone at (202) 366-1060, or by email at michelle.rice@dot.gov or through the office email at rmd.odi@dot.gov. We look forward to working with you.

Sincerely,
