REF: **NEW VEHICLE DEMONSTRATION / DELIVERY HOLD -
 Safety Recall 18S27**
 Dated September 5, 2018

New! REASON FOR THIS SUPPLEMENT

Claiming Instructions: Time recording requirements, as specified in the Warranty & Policy Manual, are not required for this recall. Claims submitted without recording technician time will be accepted.

AFFECTED VEHICLES

Vehicle	Cab Configuration	Model Year	Assembly Plant	Build Dates
F-150	SuperCrew Cab Regular Cab	2015 - 2018	Dearborn Truck	March 12, 2014 through August 23, 2018
			Kansas City	August 20, 2014 through August 23, 2018

Affected vehicles are identified in OASIS and FSA VIN Lists.

REASON FOR THIS SAFETY RECALL

In some of the affected vehicles, deployment of the front seatbelt pretensioners during a crash event may cause a fire inside the driver or passenger side B-pillar trim in the vehicle passenger compartment. A fire in the B-pillar area may spread within the vehicle and increase the risk of injury. Odor and/or smoke may be evident prior to fire propagation.

SERVICE ACTION

Before demonstrating or delivering any new in-stock vehicles involved in this recall, dealers are to modify the B-pillar sound insulation, remove electrical harness tape remnants, and apply shielding to the carpet insulation and loadspace trim panel (Regular Cab only) as directed. This service must be performed on all affected vehicles at no charge to the vehicle owner.

OWNER NOTIFICATION MAILING SCHEDULE

To help ensure an ample supply of material is available to complete repairs, owners of affected vehicles will be notified in three separate mailings. Mailing will begin by the week of September 24, 2018. Dealers should repair any affected vehicles that arrive at their dealerships, whether or not the customer has received a letter.

PLEASE NOTE:

Federal law requires dealers to complete this recall service before a new vehicle is delivered to the buyer or lessee. Violation of this requirement by a dealer could result in a civil penalty of up to \$21,000 per vehicle. Correct all vehicles in your new vehicle inventory before delivery.

OASIS ACTIVATION

FSA VIN LISTS ACTIVATION

FSA VIN Lists will be available through <https://web.fsavinlists.dealerconnection.com> on September 5, 2018. Owner names and addresses will be available by the week of November 5, 2018.

NOTE: Your FSA VIN Lists may contain owner names and addresses obtained from motor vehicle registration records. The use of such motor vehicle registration data for any purpose other than in connection with this recall is a violation of law in several states, provinces, and countries.

Accordingly, you must limit the use of this listing to the follow-up necessary to complete this recall.

SOLD VEHICLES

- Owners of affected vehicles will be directed to dealers for repairs.
- Immediately contact any of your affected customers whose vehicles are not on your VIN list but are identified in OASIS. Give the customer a copy of the Owner Notification Letter (when available) and schedule a service date.
- Correct other affected vehicles identified in OASIS which are brought to your dealership.
- Dealers are to prioritize repairs of customer vehicles over repairs of new and used vehicle inventory.

STOCK VEHICLES

- Correct all affected units in your new vehicle inventory before delivery.
- Use OASIS to identify any affected vehicles in your used vehicle inventory.

DEALER-OPERATED RENTAL VEHICLES

The Fixing America's Surface Transportation (FAST) Act law effective June 2016 prohibits a rental company from selling, renting or leasing vehicles subject to a safety or compliance recall. Please consult your legal counsel for legal advice.

TITLE BRANDED / SALVAGED VEHICLES

Affected title branded and salvaged vehicles are eligible for this recall.

OWNER REFUNDS

- **This safety recall must still be performed, even if the owner has paid for a previous repair. Claiming a refund will not close the recall on the vehicle.**
- Ford Motor Company is offering a refund for owner-paid repairs covered by this recall if the repair was performed prior to the date indicated in the reimbursement plan, which is posted with this bulletin. Owners are directed to seek reimbursement through authorized dealers or, at their option, directly through Ford Motor Company at P.O. Box 6251, Dearborn, MI 48121-6251.
- Dealers are also pre-approved to refund owner-paid emergency repairs that were performed away from an authorized servicing dealer after the end date specified in the reimbursement plan. Non-covered repairs, or those judged by Ford to be excessive, will not be reimbursed.
- Refunds will be provided for the cost associated with repairs made as a result of fire in the B-pillar area and related damage.
