NEWMAR/VENTANA/2017-2018
NEWMAR/VENTANA LE/2017-2018

Mfr's Report Date: January 19, 2018

NHTSA Campaign Number: 18V-062

Components:

EXTERIOR LIGHTING:HEADLIGHTS

Potential Number of Units Affected: 1,260

Problem Description:

Newmar Corporation (Newmar) is recalling certain 2017-2018 Ventana, Ventana LE and Dutchstar motorhomes built on a Freightliner chassis. The low beam headlights do not also illuminate as intended when the high beam headlights are activated, reducing the driver's visibility. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard (FMVSS) number 108, "Lamps, Reflective Devices, and Associated Equipment."

Consequence:

If the driver has reduced visibility, there would be an increased risk of a crash.

Remedy:

Newmar will notify owners, and Daimler Trucks North America authorized service facilities will reprogram the Freightliner chassis module, free of charge. The recall is expected to begin March 20, 2018. Owners may contact Newmar customer service at 1-800-731-8300.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

We have received Newmar's proposed owner notification letter and have approved it for distribution.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Michelle Rice who may be reached by phone at (202) 366-1060, or by email at michelle.rice@dot.gov or through the office email at rmd.odi@dot.gov. We look forward to working with you.
