

GSX-R1000 Customers to Receive GSX-R Multi-Tool for ECM Safety Recall Repairs Completed by June 16, 2018

Affected Departments: Management, Service, Sales, Warranty, Parts, Accessories

Reference: [GS/GSX/GSX-R No. 241](#)

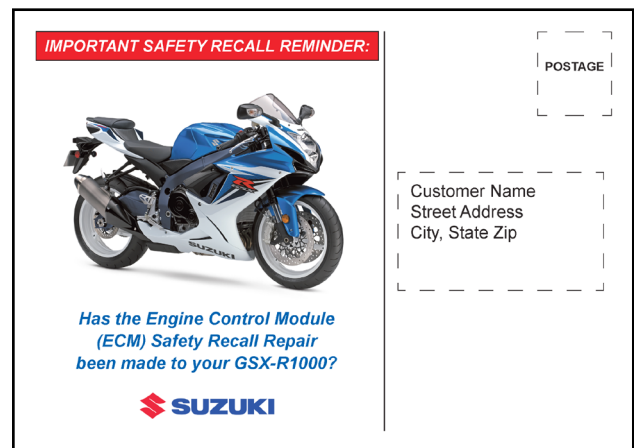

As part of Suzuki's drive to increase safety recall repair completion rates, Suzuki is sending a **reminder postcard** to owner's of GSX-R1000 motorcycles affected by Campaign 2A76 - 2A81, which have not yet been repaired.

To show appreciation to customers who have the repair completed between May 2 and June 16 of 2018, Suzuki Motor of America, Inc. (SMAI) will send them a **GSX-R Multi-Tool** after an authorized Suzuki Dealer has completed the repair and the warranty claim has been submitted on Suzuki Connect.

Please note that this promotion is being offered to customers who, according to our latest records, have not had the repair completed.

If a customer inquires about this offer, please encourage them to arrange for your dealership to complete the repair.

No additional action is needed by your dealership. Simply complete the repairs and submit a warranty claim prior to June 16, 2018, and Suzuki will send the GSX-R Multi-Tool to your customer.
