Vehicle Affected: Land Rover Discovery Sport, Range Rover Evoque, and Range Rover Velar
Model Year: 2018

National Highway Traffic Safety Administration Recall Number: 18V-087

Dear Land Rover Owner:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act. Land Rover has decided that a defect relating to motor vehicle safety exists in certain 2018 model year Land Rover Discovery Sport, Range Rover Evoque, and Range Rover Velar vehicles equipped with the Ingenium I4 2.0L petrol engine.

Your vehicle is included in this Safety Recall.

What is the concern?

A manufacturing concern has been identified with engine mounted fuel rails installed on Ingenium I4 2.0L Petrol engines. Some fuel rails have not been manufactured correctly, with a risk of fuel vapor and liquid leaks occurring within the engine bay. A fuel odor may be noticed by the vehicle occupants and, if the hood is lifted, liquid fuel may be seen.

Should leaking fuel come into contact with a sufficiently hot surface there is an increased risk of fire.

What will Land Rover and your authorized Land Rover Retailer do?

Land Rover is carrying out a recall of the vehicles mentioned above. An authorized Land Rover retailer will replace the fuel rail. There will be no charge for this repair under this program

What should you do?

Please contact your preferred authorized Land Rover retailer and provide them with your Vehicle Identification Number (VIN) and request a service date to complete the work required under Program code 'N138'

How long will it take?

The work will be carried out as quickly and efficiently as possible in order to minimize inconvenience to customers and is expected to take approximately one hour, although your retailer may need your vehicle for a longer time. Your retailer can provide you with a better estimate of the overall time for the service visit.

Attention Leasing Agencies: Federal regulations require that you forward this recall notification to the lessee within TEN (10) days.

Moved or no longer own this Land Rover vehicle?

If you are no longer the owner of this vehicle, Land Rover would greatly appreciate the name and address of the new owner, using the information Change form enclosed.
