Replacement windshields will be provided to your dealership free of charge, and you will be reimbursed for the inspection and/or windshield replacement at standard Warranty Labor Rates. (2 hours for replacement and inspection, or 1/2 hours for inspection only, if it is determined that correct windshield has been installed and therefore replacement is not required).

Please be reminded that it is a violation of Federal law for you to sell or lease the 2016 or 2017 **ACG MOKE LSVs** covered by this notification until this recall has been performed on these vehicles.
