IMPORTANT SAFETY RECALL

See enclosed VIN list

Subject: TBB Minotour Wheelchair Lift Interlock

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Daimler Trucks North America LLC, on behalf of its wholly owned subsidiary, Thomas Built Buses, Inc., has decided that a defect which relates to motor vehicle safety exists on specific Thomas Built Buses Minotour buses equipped with an optional wheelchair lift manufactured June 22, 2007, through December 8, 2017.

On certain buses, the interlock may not prevent the wheelchair lift from operating while the vehicle gear shifter is in neutral or drive. If the vehicle is moved while the wheelchair lift is in operation, there is an increased risk of injury.

The wheelchair lift wiring will be inspected and repaired as needed.

This is the first of two notices you will receive regarding this subject. This letter is to inform you of an upcoming Recall to correct the issue noted above. Parts are not yet available. You may continue to operate your vehicle.

The second notice will inform you when the final remedy is available. **When you receive the second notice**, please contact your authorized Thomas Built Buses dealer to schedule the Recall for your vehicle.

If you do not own the vehicle that corresponds to the identification number(s), which appears on the Recall Notification, please return the notification to the Warranty Campaigns Department with any information you can furnish that will assist us in locating the present owner.

We apologize for any inconvenience this may have caused.
