Subject: Overheating of Wire Harness

Dear Mr. Roy:

This letter serves to acknowledge Autocar, LLC's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

AUTOCAR/XPEDITOR/2014-2018

Mfr's Report Date: March 12, 2018

NHTSA Campaign Number: 18V-165

Components:

ELECTRICAL SYSTEM:WIRING

Potential Number of Units Affected: 1,320

Problem Description:

Autocar, LLC (Autocar) is recalling certain 2014-2018 Xpeditor vehicles equipped with a factory installed methane detection system. The circuit protection for the methane detector may be inadequate, and the harness may be improperly routed.

Consequence:

In the event that the wiring harness carries excessive current, the harness may overheat, increasing the risk of a fire.

Remedy:

Autocar will notify owners, and dealers will replace the ten amp fuse with a three amp fuse, free of charge. The recall is expected to begin April 13, 2018. Owners may contact Autocar customer service at 1-888-218-3611 or 1-877-973-3486. Autocar's number for this recall is ACX-1801.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

We have received Autocar's proposed owner notification letter and it is currently under review. You will be notified of any changes or concerns once our review is complete.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Michelle Rice who may be reached by phone at (202) 366-1060, or by email at michelle.rice@dot.gov or through the office email at rmd.odi@dot.gov. We look forward to working with you.

Sincerely,
