Models: 153ML, 171EXP, 175BH, 195RB, 199ML, 217EXP, 239ML

Serial Number Range: JK411039 – JK416172

Keystone RV Company has decided that a defect which relates to motor vehicle safety exists in the vehicles listed above. As a result, Keystone RV is conducting a safety recall. We apologize for any inconvenience this action may cause you; however your safety and continued satisfaction are of the utmost importance to us.

***Reason for  
this recall***

It has been decided that the vehicles in the recall population have a spare tire carrier that may not have adequate support in the rear wall of the unit. Under certain conditions during travel, the spare tire carrier can loosen and detach from the rear wall leading to an increased risk of a crash leading to property damage, and vehicle damage.

***What we  
will do***

Keystone representatives have been in contact with the staff at your selling dealership regarding this situation. The remedy is to inspect all affected models and add backers as needed. The service and parts required for this corrective action will be provided at no charge to you.

***What we  
need you to  
do***

As soon as possible, please make an appointment to have your RV serviced by your dealership. The labor time to perform this correction is approximately 3 hours. Please ask your dealer if you wish to know how much additional time will be needed to schedule and process your RV for this repair.

***If you have  
questions***
