IMPORTANT SAFETY RECALL See enclosed VIN list

Subject: TBB Saf-T-Liner C2 LPG Fuel Lines

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Daimler Trucks North America LLC, on behalf of its wholly owned subsidiary, Thomas Built Buses, Inc., has decided that a defect which relates to motor vehicle safety exists on specific Thomas Built Buses Saf-T-Liner C2 buses manufactured April 3, 2013, through November 28, 2017, with propane engines and fuel line routing.

On certain buses, interference between the fuel line plumbing routing and J-hook body support bracket may cause chaffing and a potential fuel leak. A propane fuel leak in the presence of an ignition source may increase the risk of a fire.

Fuel line routing will be inspected for proper clearance and will be rerouted if required.

This is the second notice regarding this recall and is to inform you the remedy is now available. **To arrange for repairs, you should contact your local Thomas Built Buses dealer immediately.** The repair should take approximately half an hour and will be performed at no charge to you.

You may be liable for any progressive damage that results from your failure to complete the Recall within a reasonable time after receiving notification.

If you do not own the vehicle that corresponds to the identification number(s) which appears on the Recall Notification, please return the notification to the Warranty Department with any information you can furnish that will assist us in locating the present owner. If you have leased this vehicle, Federal law requires that you forward this notice to the lessee within 10 days.

If you have paid to have this recall condition corrected prior to this notice, you may be eligible to receive reimbursement. For further information, please contact the Warranty Department at (336) 889-4871, 8 a.m. to 5 p.m. Eastern Time, Monday through Friday. To find a dealer in your area please go to www.thomasbus.com.

We apologize for any inconvenience this may have caused. If you have any questions or require further information, please contact the Warranty Department at (336) 889-4871, 8:00 a.m. to 5:00 p.m. Eastern Time, Monday through Friday. If you are not able to have the defect remedied without charge and within a reasonable time, you may wish to submit a complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue, SE, Washington, DC 20590; or call the Vehicle Safety Hotline at (888) 327-4236 (TTY: 800-424-9153); or to <http://www.safercar.gov>.
