18V-222

Subject: Incorrect Information on Label/FMVSS 110, Part 567

Dear Mr. Becker:

This letter serves to acknowledge Forest River, Inc.'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

FOREST RIVER/SURVEYOR/2018

Mfr's Report Date: April 6, 2018

NHTSA Campaign Number: 18V-222

Components:

EQUIPMENT:OTHER:LABELS
TIRES

Potential Number of Units Affected: 5

Problem Description:

Forest River, Inc. (Forest River) is recalling certain 2018 Forest River Surveyor recreational trailers, model ORSVT247BHDS. The Federal Placard on these vehicles incorrectly indicate a tire size of ST225/75R15D needing 65 PSI and a rim designation of 15X6.0JJ, however, the vehicle is actually equipped with ST205/75R14C tires needing 50 PSI and a rim designation of 14X5.5JJ. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard (FMVSS) number 110, "Tire Selection and Rims." As such, these vehicles fail to comply with the requirements of 49 CFR Part 567, "Certification."

Consequence:

If the operator goes by the incorrect information on the Federal Placard they can over inflate the tires and cause premature tire wear, increasing the risk of a crash.

Remedy:

Forest River has notified owners and provided a corrected Federal Placard, free of charge. The recall began on April 11, 2018. Owners may contact Forest River customer service at 1-574-642-3119 extension 205. Forest River's number for this recall is 47-0698.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Michelle Rice who may be reached by phone at (202) 366-1060, or by email at michelle.rice@dot.gov or through the office email at rmd.odi@dot.gov. We look forward to working with you.

Sincerely,

A handwritten signature in black ink, appearing to read "Jennifer Timian". The signature is fluid and cursive, with a long horizontal stroke at the end.

Jennifer Timian
Chief, Recall Management Division
