1	Dodge	Journey	2014	2018	SUV	2/7/2013	5/16/2018	The population was determined to be vehicles built with a modified fault handling strategy in the Engine Control Module ("ECM") or Powertrain Control Module ("PCM") software. Similar vehicles built before 2014MY are not included in the recall, because the ECM/PCM software has a different fault handling strategy. Similar 2018 or 2019 model year vehicles are not included in the recall, because they have a different fault handling strategy in the ECM/PCM software.
