EQUIPMENT:RECREATIONAL VEHICLE:LPG TANK ASSEMBLY

Potential Number of Units Affected: 612

Problem Description:

Jayco, Inc. (Jayco) is recalling certain 2018-2019 Eagle, Eagle HT, NorthPoint, Pinnacle, Talon and Seismic fifth-wheel recreational trailers. The strap that secures the liquid propane (LP) gas bottle may separate from its buckle and no longer secure the propane tank.

Consequence:

An unsecured propane tank could detach from the trailer and increase the risk of a crash or leak propane and increase the risk of a fire.

Remedy:

Jayco will notify owners, and dealers will replace the propane tank securing strap with a new strap that has the correct crimping, free of charge. The recall is expected to begin August 1, 2018. Owners may contact Jayco customer service at 1-800-517-9137. Jayco's number for this recall is 9901385.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.
