

Stop Sale G 310 R and G 310 GS

K03 and K02

RECALL ANNOUNCEMENT

ATT: All BMW Motorrad USA Dealers

Topic: STOP SALE G 310 R (K03) and G 310 GS (K02)

BMW Motorrad USA is announcing a safety recall and stop sale for the G 310 R and G 310 GS. This recall involves the side stand.

G 310 R models produced before April 24, 2018 and G 310 GS models produced before May 5, 2018 are affected. Vehicle identification numbers (VINs) have been flagged in both AIR and DCSNet. As a reminder, DCSNet may take 48- 72 hours to display the stop sale flag. All motorcycles must be checked for open recalls prior to sale regardless of production date.

A technical solution is being developed and is anticipated to be available in approximately 4-6 weeks. More information will be communicated shortly.

NHTSA Statement

Please be reminded that it is a violation of federal law (The Safety Act) for you to sell, lease or deliver any new motor vehicle covered by this notification until the recall repair has been performed. This means that dealers may not legally deliver new motor vehicles to consumers until they are fixed or use/sell replacement equipment/parts subject to this recall. Note also that substantial civil penalties apply to violations of the Safety Act.

Also, you should not sell, lease or deliver any used vehicles subject to a safety recall until the repair is completed. Please follow any special instructions that we provide to you for the return or disposition of recall parts.
