Dear Mr. Becker:

This letter serves to acknowledge Forest River, Inc.'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

FOREST RIVER/PRIME TIME/2016-2018

Mfr's Report Date: June 19, 2018

NHTSA Campaign Number: 18V-414

Components:

EQUIPMENT:OTHER:LABELS
TIRES

Potential Number of Units Affected: 302

Problem Description:

Forest River, Inc. (Forest River) is recalling certain 2016-2018 Forest River Prime Time recreational trailers. The Federal Placard incorrectly states that the tire pressure should be 65PSI when the correct tire pressure is 80PSI. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard (FMVSS) number 110, "Tire Selection and Rims."

Consequence:

The incorrect tire information may cause the operator to underinflate the tire, leading to premature tire wear and increasing the risk of a crash.

Remedy:

Forest River will notify owners and will provide a corrected Federal Placard, free of charge. The recall is expected to begin July 29, 2018. Owners may contact Forest River customer service at 1-574-862-1025. Forest River's number for this recall is 48-0756.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

We have received Forest River's proposed owner notification letter and have approved it for distribution.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Michelle Rice who may be reached by phone at (202) 366-1060, or by email at michelle.rice@dot.gov or through the office email at rmd.odi@dot.gov. We look forward to working with you.
