SAFETY RECALL NOTICE: 18V433

TO: Affected KME Dealers

KME has decided that a defect which relates to motor vehicle safety exists in certain model year 2016-2018 KME vehicles manufactured from June 2016 through June 2018 equipped with an aerial ladder and an optional tip mounted lifting device. Accordingly, a recall to address this issue is expected to start on or before July 27, 2018.

The supplied lifting devices (95347115 and 95347118) do not meet the specified load rating or safety factor. If the specified load is attached to the lifting device, the device may deform and may lead to injury to those nearby.

Owners will be notified by mail about the recall and will be instructed to contact their KME Dealer or KME to have their lifting device replaced. ***The original lifting device is to be returned to KME.*** There is no cost to owners for this recall.

Please be reminded that it is a violation of Federal law for you deliver a new motor vehicle or any new or used item of motor vehicle equipment covered by this notification until this defect has been remedied. Substantial civil penalties apply to violations of this law.

Your assistance with this recall is appreciated. Should you have any questions or concerns, please contact KME Customer Service at (570) 669-5230.

Sincerely,

KME, Inc.
