

IMPORTANT SAFETY RECALL

**Safety Recall: 18V-460 2018-372
July 2018**

Dear Valued Dealer:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Jayco has decided that a defect, which relates to motor vehicle safety exits in certain 2019 Octane T32H “VH” and T30F “VF” travel trailers.

Our records show the following unit is affected by this recall and is currently part of the inventory at your Dealership. The Recall Remedy must be completed on this unit prior to delivery.

Serial number

***Reason for
this recall***

The exhaust pipe for the generator may be missing. Exhaust from the generator may enter the travel trailer and create a life threatening condition for occupants.

***Recall
Remedy***

Step One: Inspection of the generator to validate if exhaust pipe is in place.
When required **Step Two:** Installation of the exhaust pipe to the generator.

***All pertinent information regarding this recall is available under the Service and Parts Tab of our Website.
If you require further assistance, please Contact Jayco Customer Service at 800-283-8267.***

***What we
need you to
do***

Federal Law requires that all units in your inventory be repaired prior to delivery to a customer. If you have sold a unit recently that you have received a stock recall notice on, please contact the owner immediately and advise of the recall, and register the unit by submitting the Warranty Registration Information.

We certainly regret this inconvenience; however, our Customer’s safety is our most important priority.

Sincerely,
Jayco
