**Potential Number of Units Affected:** 136

**Problem Description:**

Corp. Micro Bird Inc. (Micro Bird) is recalling certain 2015-2018 Micro Bird G5, MB II, and T-Series transit buses. During manufacturing, the seat belt anchorage plate may not have been correctly attached to the wall, limiting the capacity of the shoulder belt to restrain a passenger in the event of a crash.

**Consequence:**

If the belt anchorage plate detaches from the wall, and cannot properly restrain a passenger it can increase the risk of injury.

The remedy for this recall is still under development. The manufacturer has not yet provided a notification schedule. Owners may contact Micro Bird customer service at 1-819-477-2012. Micro Bird's number for this recall is 18-075-CUC.
