Problem Description:

KZRV, L.P. (KZRV) is recalling certain 2017-2019 KZRV Durango, Venom and Sidewinder recreational trailers. The Federal Certification label incorrectly lists the tire size as being ST235/80R16G, however, the correct tire size is ST235/85R16G.

Consequence:

The incorrect information may result in the incorrect tires being installed, increasing the risk of a crash.

Remedy:

KZRV will notify owners, and dealers will replace the Federal Certification label, free of charge. The recall is expected to begin October 8, 2018. Owners may contact KZRV customer service at 1-800-768-4016 extension 154 or 153. KZRV's number for this recall is KZ-2018-08.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

We have received KZRV's proposed owner notification letter and have approved it for distribution.

Please be reminded of the following requirements:

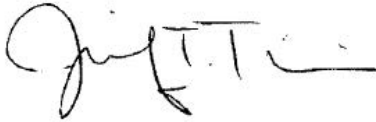

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.
