Problem Description:

Corp. Micro Bird Inc. (Micro Bird) is recalling certain 2018 Micro Bird MBII school buses equipped with certain NextGen School Bus seats with Integrated Child Restraint Systems. Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

We have received Micro Bird's proposed owner notification letter and it is currently under review. You will be notified of any changes or concerns once our review is complete.
