Dear Valued Dealer:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Jayco has decided that a defect which relates to motor vehicle safety exists in certain Model Year 2019 Jay Flight travel trailers.

Reason for this recall

The rear stop/turn/ and brake lights were wired incorrectly causing the lights to work intermittent. Inoperable lights could increase the risk of a crash causing personal injury and or property damage.

Recall Remedy

Correct wiring for lights, going to the 7-way trailer cord instead of the Smart Light Circuit.

All pertinent information regarding this recall is available under the Service and Parts Tab of our Website. If you need further assistance, please Contact Customer Service at 800-283-8267

What we need you to do

Our records show the following unit is affected by this recall and is currently part of the inventory at your Dealership. The Recall Remedy must be completed on this unit prior to being sold.

Serial number listing

Federal law requires that all units in your inventory be repaired prior to delivery to a customer. If you have sold a unit recently that you have received a stock recall notice on, please contact the owner immediately to advise of the recall. In addition, please register the unit by submitting the Warranty Registration .

We certainly regret this inconvenience; however, our Customers' safety is our most important priority.
