How to locate the Entrance Door Serial Number

To confirm the door serial number on the entrance door:

FIG 1: Open the entrance door to locate the door serial number tag.

The tag is on the door jamb at the back of the door, just above the electrical door contacts.

FIG 2: The serial number is a blue 6 number ID above the door manufacturer's label.

Please note this serial number on the Recall Reply Form and return. If the serial number on your door is listed above, please set an appointment with an Entegra Dealer for the Recall Remedy. Thank you.
